

# **MUSLIM RESOURCE CENTRE** *for Social Support and Integration*

Hello,

The Muslim Resource Centre for Social Support and Integration would like you to participate in an online survey to help us learn more about an important social issue.

MRCSSI is carrying out a community project examining the complex issue of “honour” based violence. In order to better understand this issue we need your help and input.

Below is a link to a survey inviting you to share your perspectives, opinions and ideas. Together we can increase understanding and awareness, and develop solutions/supports.

This survey is confidential and anonymous. Respond as best you can. If a question doesn't make sense; it's ok to keep moving on.

To complete this survey, please go to: <https://www.surveymonkey.com/s/KTJB99R>

It will take about 15 minutes to complete the survey. We know that your time is valuable and 15 minutes may seem like a lot of time. But, your time and input will have a big impact.

Your participation in this process is greatly appreciated. Thank you very much for your time and contributions.

Sincerely,

*Muslim Resource Centre for Social Support and Integration*

**When you complete this survey by November 5th, you will be entered in to a draw to win one of six \$25 White Oaks Mall gift cards!**
